DevPro Solutions

CAPABILITY STATEMENT

Win More with a Partner Built for Contracting Success

DevPro Solutions helps contractors win more federal, state, and local government contracts through proven capture strategies and high-impact proposal development. Our team combines deep knowledge of government procurement processes with strong technical writing, compliance expertise, and strategic positioning to deliver compelling, evaluator-focused proposals.

Proven Performance

- 34% Proposal Win Rate across supported government contracting opportunities.
- 100% Success Rate in GSA MAS onboarding and GWAC / IDIQ contract vehicle support.

Core Services

- Capture Development Services – Opportunity qualification, capture planning, competitive analysis, and win strategy.
